Cajun Dance Hall Floor Map | Student Dance Brief

3–5 | Louisiana Dance & Movement Lab | floor pattern design | 2–4 sessions of 35–60 minutes

Your movement challenge

Plan a safe square floor map for a class two-step study and demonstrate three pathway choices

What to investigate

Acadian and Cajun social dance spaces

Technical focus

floor pattern design

Before you dance

01. Name one movement you observe in a credited source and one thing you do not yet know.
02. Show a safe four-count baseline phrase.
03. Experiment with three different movement qualities or spatial directions.

Create and improve

01. Plan a short original sequence with a beginning, a change, and an ending.
02. Apply floor pattern design and rehearse the movement challenge.
03. Request one observation and one question from a peer, then make one significant change.

Turn in

Movement score or sketch; three trials; final performance/filmed excerpt/accessible notation; source credit; annotated revision; reflection.

Reflect

01. How did floor pattern design improve from beginning to end?
02. Who is credited for the tradition?
03. Which movement is your own invention?
04. How did you make choices safe and inclusive?
