City Park Oak Portraits

NEW ORLEANS CULTURAL STUDIO | LESSON 57 | GRADES K–2 | STUDENT STUDIO BRIEF

Your challenge

Make a close observation drawing of a broad oak canopy, using branching lines, texture, and a personally chosen color system.

Three questions before you begin

1. Who created the local art, object, or practice we are studying?
2. What will you make that is distinctly your own?
3. How will your audience know the meaning of your choices?

Investigate, sketch, choose

Collect two references with their creators or sources. Draw three small alternatives. Circle the one that best meets your idea and explain why.

Make and improve

Make an oak portrait with three observed details. During critique, identify a visual strength, ask one authentic question, and revise at least one part of the work.

Cultural care

Students may draw another familiar tree or accessible photograph; avoid suggesting all students visit the park.
