Congo Square Sound Maps

NEW ORLEANS CULTURAL STUDIO | LESSON 60 | GRADES 3–5 | STUDENT STUDIO BRIEF

Your challenge

Compare an attributed account of Congo Square with an instrumental excerpt; design a sound map that separates historical evidence from personal interpretation.

Three questions before you begin

1. Who created the local art, object, or practice we are studying?
2. What will you make that is distinctly your own?
3. How will your audience know the meaning of your choices?

Investigate, sketch, choose

Collect two references with their creators or sources. Draw three small alternatives. Circle the one that best meets your idea and explain why.

Make and improve

Make an annotated sound map with a source legend. During critique, identify a visual strength, ask one authentic question, and revise at least one part of the work.

Cultural care

Do not reenact enslavement or invent specific African ceremonies; use scholar-led resources.
