Mississippi River Shapes

NEW ORLEANS CULTURAL STUDIO | LESSON 53 | GRADES K–2 | STUDENT STUDIO BRIEF

Your challenge

Create an oversized river collage with layered currents, boat silhouettes, and one small feature that shows scale.

Three questions before you begin

1. Who created the local art, object, or practice we are studying?
2. What will you make that is distinctly your own?
3. How will your audience know the meaning of your choices?

Investigate, sketch, choose

Collect two references with their creators or sources. Draw three small alternatives. Circle the one that best meets your idea and explain why.

Make and improve

Make a collaborative river panorama with an individual contribution. During critique, identify a visual strength, ask one authentic question, and revise at least one part of the work.

Cultural care

Discuss the river as a place of work and ecology, not only a scenic tourist view.
