# Tremé Front Steps

NEW ORLEANS CULTURAL STUDIO | LESSON 52 | GRADES K–2 | STUDENT STUDIO BRIEF

## Your challenge

Make a layered front-step or doorway picture that uses shape, color, and scale to invite a visitor into a real or imagined neighborhood.

## Three questions before you begin

1. Who created the local art, object, or practice we are studying?
2. What will you make that is distinctly your own?
3. How will your audience know the meaning of your choices?

## Investigate, sketch, choose

Collect two references with their creators or sources. Draw three small alternatives. Circle the one that best meets your idea and explain why.

## Make and improve

Make a layered doorway illustration with evidence of welcome. During critique, identify a visual strength, ask one authentic question, and revise at least one part of the work.

## Cultural care

Do not depict residents without permission or treat Tremé as a costume or backdrop.

## Studio planning space
