Versailles Garden to Market

NEW ORLEANS CULTURAL STUDIO | LESSON 61 | GRADES 3–5 | STUDENT STUDIO BRIEF

Your challenge

Research community gardening and commerce in New Orleans East, then design an original market-to-garden visual map with bilingual labels when verified.

Three questions before you begin

1. Who created the local art, object, or practice we are studying?
2. What will you make that is distinctly your own?
3. How will your audience know the meaning of your choices?

Investigate, sketch, choose

Collect two references with their creators or sources. Draw three small alternatives. Circle the one that best meets your idea and explain why.

Make and improve

Make a garden-to-market map with a verified source note. During critique, identify a visual strength, ask one authentic question, and revise at least one part of the work.

Cultural care

Use accurate community sources and verified translations; do not assume every Vietnamese American experience is alike.
